A structured, year-long Saturday skills program for students in Classes 6–12. Every Saturday, students learn design, video editing, AI tools, content creation, podcasting, and entrepreneurship — delivered by trained professionals.

SECTION 01 · About Focsera Labs

A year-long Saturday skills program that turns schools into creator academies.

Focsera Labs is a structured, school-integrated Future Skills Program for students in Classes 6–12. Every Saturday, students attend 4-hour skill sessions in design, video editing, AI tools, content creation, podcasting, and entrepreneurship — delivered by trained working professionals, not classroom teachers. Schools don't manage it. We handle everything end-to-end.

For Students	For Schools	For Parents
• Real digital skills	• Zero effort — we handle everything	• Visible skill development
• Portfolio of 15–20 projects	• Branded as innovation leader	• Portfolio they can share
• Badges & certificates	• Social media visibility	• No hidden costs
• Competition & recognition	• Parent trust & retention	• Safe, structured environment
• Tools used by professionals	• Annual showcase event	• Career-ready child

Contents

What's Inside This Handbook

Section	Title	Description
01	About Focsera Labs	Vision, mission, and why this program matters
02	Program Overview	Saturday model, sessions, and grade structure
03	Subscription Plans	Basic, Standard, and Premium tiers
04	Tools Required	Software to install on school lab computers
05	Weekly Execution Plan	How Saturdays are structured
06	Session Structure — 4 Hours	Full Teach · Practice · Compete breakdown
07	Curriculum — Classes 6 & 7	20 detailed session plans — Creative Exploration
08	Curriculum — Classes 8–10	20 detailed session plans — Skill Development
09	Curriculum — Classes 11 & 12	20 detailed session plans — Career Launch
10	Student Activities & Assessment	Evaluation, scoring, and participation
11	Certification & Badges	Recognition system for students
12	Operations & Management	Roles, responsibilities, and flow
13	Media & Branding Support	Photography, reels, and social media
14	Annual Showcase Event	Focsera Creator Fest
15	Pricing & Value	Plans and what schools receive
16	Focsera Labs Branding Kit	Student kit — bag, workbook, wear & goodies
17	Safety & Discipline	Student safety and classroom conduct
18	Contact & Partnership	How to get started

SECTION 02 · Program Overview

Grade structure and session count by plan

Grade Structure

Three learning tracks — each built for the developmental stage of its students.

Category	Grade Group	Track Name
1	Classes 6 & 7	Creative Exploration
2	Classes 8 – 10	Skill Development
3	Classes 11 & 12	Career Launch

Session Count by Plan

Plan	Total Sessions	Sessions / Term	Terms	Best For
Basic Starter	5	5	1	Trial / Short Pilot
Standard Skill	15	3–4	3	Full Academic Year
Premium Innovation	20	5	4	Complete Year + Showcase

SECTION 03 · Subscription Plans

Three tiers designed to fit different school budgets and ambitions

The program fee is collected from parents at admission — zero direct cash outflow from the school's operational budget.

Feature	Basic Starter 5 sessions ■ 1,500–2,000	Standard Skill 15 sessions ■ 3,000–3,500	Premium Innovation 20 sessions ■ 4,500–5,000
Trained Trainer + Session Content	✓	✓	✓
Posters & Marketing Material	✓	✓	✓
Session Certificates	✓	✓	✓
Photography	—	✓	✓
Social Media Reels	—	✓	✓
Competitions & Badges	—	✓	✓
Professional Videography	—	—	✓
Annual Showcase Event	—	—	✓
Premium Certificates	—	—	✓
Full Branding Kit	Add-on 499/-	Add-on 499/-	FREE ✓

Tip for Schools: The Standard Plan is the most popular choice. It covers the full academic year with photography and social media reels — all at a fee that fits comfortably into a school's annual program budget.

SECTION 04 · Tools Required

All tools are free to use — Focsera assists with IT setup during onboarding

Tool	Grade Group	Used For
Canva	All grades	Design, posters, logos, infographics, presentations, AI image generation
CapCut	All grades	Video editing, reels, transitions, text animation, stop motion
ChatGPT	All grades	AI prompting exercises, content generation, research
Snapseed	All grades	Phone photo editing — brightness, contrast, crop, colour
Figma	Classes 8–12	UI/UX design, wireframes, clickable app prototypes
DaVinci Resolve	Classes 8–12	Advanced video editing and colour grading
Spotify for Podcasters	Classes 8–12	Podcast recording and publishing
Google Drive / Slides	All grades	Portfolio storage, presentations, session reports
Notion	Classes 11–12	Business model canvas, planning docs, portfolio
LinkedIn	Classes 11–12	Personal branding and professional profile building
ElevenLabs	Classes 11–12	AI voiceover for content creation (free tier)
Runway ML	Classes 11–12	AI video generation and background removal (free tier)

IT Setup Checklist

- All lab computers have Google Chrome installed and updated
- Canva for Education school account created — all student emails added
- CapCut desktop app installed on all lab PCs
- DaVinci Resolve installed on all lab PCs (Classes 8–12 only)
- Figma browser bookmark saved on all lab PCs (Classes 8–12 only)
- Shared Google Drive folder created: 'Focsera Labs 2025 — [School Name]'
- School WiFi password shared with Focsera coordinator before Session 01
- Projector and HDMI cable tested and working in the session classroom

SECTION 05 · Weekly Execution Plan

How every Saturday is structured

Saturday Schedule

One Focsera trainer and one coordinator visit the school every Saturday. Three consecutive 4-hour sessions serve different grade groups.

Time Slot	Grade Group	Focus	Duration
Morning 9:00 AM – 1:00 PM	Classes 6 & 7	Creative Exploration	4 Hours
Afternoon 2:00 PM – 6:00 PM	Classes 8, 9 & 10	Skill Development	4 Hours
Evening (alternate Saturdays)	Classes 11 & 12	Career Launch	4 Hours

Full Day Checklist

Minute-by-minute execution flow

When	Action	Who
Day Before	WhatsApp reminder to school coordinator with session topic and materials	Ops Team
Day Before	Trainer confirms attendance, reviews session plan, prepares physical examples	Trainer
T–30 min	Trainer and coordinator arrive. Projector tested, playlist queued, materials laid out	Both
T–10 min	Coordinator at gate to welcome and direct students to the lab	Coordinator
T+0	Session begins — warm-up prompt displayed on projector	Trainer
T+60	TEACH block complete. Move to guided practice	Trainer
T+150	Break — 15 minutes. Coordinator checks photos taken so far	Both
T+165	Independent create begins — trainer coaches individually	Trainer
T+210	COMPETE block — voting, announcement, certificate/badge moment	Both
T+225	Portfolio drop — students save work to Google Drive folder	Coordinator
T+230	Hero photo — winner with certificate, group photo of all students	Coordinator
T+235	Session report filled by trainer on phone	Trainer
T+240	WhatsApp summary sent to school coordinator with 3 photos	Coordinator
Next Day	Reel edited and posted on Focsera Instagram	Ops Team
2 Days Later	Full photo gallery sent to school via Google Drive link	Ops Team

SECTION 06 · Session Structure — 4 Hours

The Focsera Framework — every session follows the same structure

TEACH	PRACTICE	COMPETE
0:10 – 1:00 · 60 min	1:00 – 3:00 · 150 min	3:00 – 4:00 · 60 min
Live skill demonstration with real before/after examples. Trainer explains the why, not just the how. Visual, fast — no passive slides.	Guided exercise (90 min) then independent creation (60 min). Trainer coaches every student one-to-one. Everyone builds a finished output.	Best work peer-judged on projector. Winner announced. Badges and certificates distributed. One WOW moment every session.

Minute-by-Minute Session Flow

Time	Phase	Trainer Does	Students Do
0:00–0:10	Arrival & Setup	Sets up projector, plays upbeat music. Coordinator distributes workbooks.	Arrive, settle, open workbooks, write date and session topic.
0:10–0:20	Warm-Up Prompt	Puts creative question on projector. Calls on 4–5 students.	Think and share answers. No wrong answers — minds warming up.
0:20–1:00	TEACH Block	Live skill demo with real before/after examples. Explains the why, not just the how.	Watch attentively. Ask 'why' questions. Jot key steps in workbook.
1:00–1:45	Guided Practice	Does task step by step on screen. Pauses to check progress.	Replicate each step simultaneously. Coordinator helps those falling behind.
1:45–2:00	Break (15 min)	Circulates, gives informal feedback, previews competition format.	Take break, review work so far, make quick adjustments.
2:00–3:00	Independent Create	Steps back. Coaches one-to-one. Does not give answers.	Build their own final output. This is the real work.
3:00–3:30	COMPETE Block	Displays top works. Announces voting. Counts votes. Hands out badge/cert.	Vote for best work. Cheer for the winner.
3:30–3:45	Debrief & Feedback	3-minute analysis: what made winner stand out, one tip for next time.	Listen, note tip in workbook, ask final questions.
3:45–3:55	Portfolio Drop	Reminds students to save: 'Name_Class_Session_Title' format.	Save all files to shared Google Drive class folder.
3:55–4:00	Group Photo & Close	Coordinator takes group photo. Trainer teases next session.	Pose for group photo. Winner does solo shot with certificate.

Key Principle: Every student leaves every session with a finished output — not homework, not theory notes. A real piece of creative work that goes into their personal portfolio and can be shown to parents, printed, or posted online.

SECTION 07 · Curriculum — Classes 6 & 7

Creative Exploration · 20 sessions · 4 terms · 4 hours each

Fun, hands-on creativity. Students discover what they enjoy making. Sessions feel like a creative playground — not a class.

#	Session Title	Tools	Badge
01	Who Am I? — Personal Brand Poster	Canva	<i>Brand Founder</i>
02	Phone Photography Bootcamp	Phone Camera · Snapseed	<i>Sharp Shooter</i>
03	My Dream World — Illustration & Doodle Art	Canva · Phone Camera	<i>Doodle Creator</i>
04	30-Second Story Reel	CapCut · Phone Camera	<i>Reel Maker</i>
05	Superpower Comic Strip	Canva	<i>Story Artist</i>
06	Talk to an AI — Prompt Lab	ChatGPT · Canva AI	<i>AI Whisperer</i>
07	Logo Design for Dream Brand	Canva	<i>Brand Founder</i>

08	Documentary Making — 5-Minute Social Impact Film	CapCut · Phone Camera	<i>Impact Filmmaker</i>
09	Content Monetisation — How Creators Make Money	Canva · Google Sheets	<i>Brand Ambassador</i>
10	Public Speaking + Presentation Design	Canva · Google Slides	<i>Speaker Champion</i>
11	Advanced Copywriting — Full Marketing Campaign	Google Docs · ChatGPT	<i>Copy Director</i>
12	Podcast Series — Launch a 3-Episode Show	Spotify for Podcasters · CapCut	<i>Podcast Producer</i>
13	Growth Hacking — Take a Brand from 0 to 1000	Canva · Instagram · Google Sheets	<i>Growth Hacker</i>
14	AI Tools for Professionals — Full Workflow	ChatGPT · ElevenLabs · Runway ML	<i>AI Director</i>
15	Portfolio Building — Case Study Workshop	Canva · Google Drive	<i>Portfolio Expert</i>
16	Internship Readiness — Resume, Interview, Outreach	Canva · Google Docs	<i>Career Ready</i>
17	Live Client Project — Real Brand, Real Deliverable	All Tools	<i>Client Champion</i>
18	TEDx-Style Talk — Your Idea Worth Spreading	Speaking only	<i>TEDx Speaker</i>
19	Career Roadmap — Map the Next 5 Years	Canva	<i>Future Planner</i>
20	Focsera Labs — Career Launch Night	All Tools	<i>Creator of the Year</i>

SECTION 10 · Student Activities & Assessment

Output-based, not exam-based

Focsera Labs does not use written exams. Every session produces a tangible output. The quality of that output is the assessment.

Method	Description	Frequency	Outcome
Peer Voting	Class votes anonymously on best work each session	Each session	Winner Badge
Trainer Review	Creative director-style feedback on technique and quality	Every session	Written Feedback
Public Display	Work displayed in school corridor or on social media	Per session	Recognition + Reach
Client Selection	Real business or principal selects the best output	Per project session	Real-World Use
Guest Judge	Industry professional reviews and scores selected works	Each term	Certificate
Portfolio Score	End-of-year holistic review of all work produced	Year-end	Portfolio Certificate

Scoring Rubric

Dimension	1 — Needs Work	2 — Developing	3 — Strong	4 — Exceptional
Creativity	Copied template	Some original choices	Clear original concept	Surprising & memorable
Execution	Incomplete or broken	Complete but with errors	Clean & technically solid	Polished to pro standard
Effort	Minimal, disengaged	Participated but didn't push	Fully engaged, all tasks done	Went beyond the brief

SECTION 11 · Certification & Badges

Session-level recognition with digital and printed badges

Badge System

Badge	Earned By	Session	Grade Level
Brand Founder	Best logo + 60-sec brand pitch	Logo Design Sessions	Classes 6–7, 8–10
Sharp Shooter	Best composition in photography	Phone Photography	Classes 6–7
AI Whisperer	Most creative AI prompt use	Prompt Lab	Classes 6–7
Young Filmmaker	Best short documentary or film	Mini Documentary, Film	Classes 6–7, 8–10
Reel Maker	Best story reel	30-Second Story Reel	Classes 6–7
Prompt Engineer	Winner of AI prompt battle	AI Tools Masterclass	All Grades
Cut Master	Best video edit from same footage	Video Editing Sprint	Classes 8–10
Art Director	Best graphic design or event poster	CARP Design Session	Classes 8–10
Content Strategist	Best niche content plan pitch	Content Strategy	Classes 8–10
UX Designer	Best app screen design	UI/UX Intro	Classes 8–10, 11–12
Campaign Designer	Best 5-piece brand campaign	Advanced Design	Classes 11–12
Impact Filmmaker	Best social impact documentary	Documentary Session	Classes 11–12
Growth Hacker	Most real follower growth achieved	Growth Hacking	Classes 11–12
AI Director	Best fully AI-produced content	AI Workflow Session	Classes 11–12
TEDx Speaker	Best 5-minute talk delivery	TEDx-Style Talk	Classes 11–12
Creator of the Year	Overall best creator across sessions	Grand Showcase	All Grades

Certificate Levels

Certificate	Awarded When	Who Receives It
Session Certificate	After every completed session. Signed by trainer.	All attending students
Term Certificate	End of each term — students who attended 80%+ sessions.	Consistent students
Annual Certificate of Completion	Year-end showcase. Full program completion.	All completing students
Certificate of Excellence	Top performers — Creator of the Year and category winners.	Top performers only
Portfolio Certificate (11 & 12)	Professional-grade portfolio reviewed by an industry professional.	Classes 11 & 12 Top 3

SECTION 12 · Operations & Management

Clear roles, smooth execution, transparent communication

What Focsera Provides	What the School Provides
• Trained, vetted professional trainer for every Saturday session	• A computer lab with projector and whiteboard access on Saturdays
• Session coordinator for logistics, photography, and coordination	• Basic WiFi connectivity (Focsera carries backup hotspot)
• Full session curriculum, content, materials, and workbooks	• A school point of contact (POC) for coordination
• Photography and videography during every session	• Student list and grade-wise attendance on event day
• Social media reels, posts, and content creation every week	• Collection of program fee from students/parents at admission
• Badges and certificates (printed and digital) for all students	
• Monthly impact reports for school management	
• Annual showcase event planning and execution (Premium)	
• Focsera-branded backdrop, props, and printed materials	
• IT setup visit before Session 01 — all plans, no extra charge	

Communication Flow

Frequency	Format	Recipient	Content
Weekly	WhatsApp Message	School Coordinator	Session summary, attendance, badge winners, 3 best photos
Monthly	PDF Impact Report	School Principal	Attendance data, highlights, social reach, next month preview
Per Term	In-person Meeting	Principal + Management	Term data, feedback, showcase planning
Annually	Parent Showcase Event	Parents + Community	Student work display, highlights video, annual awards
Emergency	Call within 30 min	School Coordinator	Any issue — trainer absent, equipment fail, student concern

SECTION 13 · Media & Branding Support

Every session is a content opportunity — content published weekly

Content Type	Format	Frequency	Goal
Session Reel	30–45 sec CapCut reel with trending audio	Every session (weekly)	Reach + Discovery
Student Spotlight	Student + best work + quote post	2× per month	Trust + Emotion
Before / After	Split screen — skill before vs after training	Monthly	Proof of Learning
Badge / Certificate Moment	Winner announcement video clip	Every session	Aspiration
School Feature	Focsera Labs Partner post tagging the school	Monthly per school	School Promotion
Creator Fest Hype	Countdown posts, teaser videos	6 weeks before event	Event Awareness

What Your School Gets

- Ready-made photos and reels sent every Monday for your school's social media
- Your school tagged in every Focsera Labs post — free visibility for your institution
- Student work displayed in school corridors — a physical gallery of excellence
- One post per term featuring your school principal with students
- Your school positioned as a forward-thinking, innovation-focused institution

SECTION 14 · Annual Showcase Event — Focsera Creator Fest

The grand celebration of a year of skill-building

A 3-hour celebration where students from all grade groups showcase their year's work to parents, teachers, school management, and invited guests.

- Student-run exhibition stations — each student explains their best work to visitors
- Full-year portfolio display — printed booklets + digital portfolios with QR codes
- Short films, animated posts, and ad films screened on projector
- Podcast episodes played at a dedicated listening station
- AI art gallery and brand kit display boards in school corridors
- Guest speaker — a real working creator, designer, or entrepreneur from the city
- Grand awards ceremony — 8 award categories across grade groups
- Stage moment for every student receiving their annual certificate
- Parents vote for 'Best Creator of the Year' across 5 categories

Award Categories

Award	What It Recognises	Grade Level
Best Designer	Most outstanding graphic design work across the year	All Grades
Best Filmmaker	Best video, documentary, or reel produced	All Grades
Best Strategist	Best content plan, campaign, or growth strategy	Classes 8–12
Best Copywriter	Most compelling written or spoken copy	Classes 8–12
Best Podcast	Most engaging podcast episode or series	Classes 8–12
Best UI Designer	Best app screen or UX prototype	Classes 8–12
Best Entrepreneur	Best startup idea or business pitch	Classes 11–12
Creator of the Year	Overall best creator across all sessions and categories	All Grades

SECTION 15 · Pricing & Value

Transparent pricing — parent-funded, zero cash outflow from school budget

Schools collect the fee from parents and remit Focsera's program fee from the collected amount. No direct cash outflow from the school's operational budget.

Plan	Fee per Student	Sessions	Duration	Payment
Basic Starter	■ 1,500 – 2,000	5	4 Hours Each	Once at admission
Standard Skill	■ 3,000 – 3,500	15	4 Hours Each	Once at admission
Premium Innovation	■ 4,500 – 5,000	20	4 Hours Each	Once at admission

What the Fee Covers

- Professional trainer for every 4-hour Saturday session
- Session coordinator for logistics and photography
- Full curriculum, content, session workbooks and materials
- Badges and printed certificates for winning students
- Photography and social media reels from every session
- Monthly impact reports for school management
- Annual Creator Fest showcase (Premium plan)
- Digital portfolio for every student (all plans)
- IT setup visit before Session 01 — all plans, no extra charge

No hidden costs. No extra payments. No mid-year surprises. One fee. One year. One program that delivers real, visible results for every student.

SECTION 16 · Focsera Labs Branding Kit

A curated physical kit given to every enrolled student

Designed to build excitement, identity, and belonging from Day One. Students arrive at their first session to find a kit waiting for them.

Kit Item	Description	Basic	Standard	Premium
Focsera Branded Paper Bag	Carry finished prints home after each session	Add-on ■ 499	Add-on ■ 499	FREE ✓
Skill Workbook	A4 spiral-bound, 50 pages — prompts, notes, portfolio	Add-on	Add-on	FREE ✓
Focsera Pen	Branded pen for workbook exercises and sketching	Add-on	Add-on	FREE ✓
Focsera Wear	T-shirt or Cap — worn on session days, builds team identity	Add-on	Add-on	FREE ✓
Goodies Pack	Sticker sheet, badge holder, lanyard, thank-you card	Add-on	Add-on	FREE ✓
Personalised Welcome Card	Student's name printed, welcome message + session calendar	Add-on	Add-on	FREE ✓

Premium Plan students receive the complete Branding Kit free — this is a core part of the Premium value. Basic and Standard students can purchase the kit separately at ■499–699 per student, collected at enrollment.

SECTION 17 · Safety & Discipline

A safe, structured, and respectful environment for every student

Student Safety Measures	Classroom Discipline
• All Focsera trainers and coordinators are background-checked working professionals	• Phone usage permitted only during designated activity time — not during TEACH blocks
• Sessions conducted only in school premises — no off-campus activities without prior written approval	• Trainers follow a structured session plan — sessions do not run beyond the allocated time slot
• A school-designated staff member is always available on-site during sessions	• No ranking or comparison of students done publicly — assessment focuses on growth
• Student photographs are shared only with the school and with parental consent	• Students are encouraged to compete in a positive, constructive spirit
• No student personal data collected beyond name, class, and school	• Any behavioural concern is reported immediately to the school's designated POC
• All online content featuring students is published with appropriate privacy measures	• Students use devices only for the session's skill activity — trainers actively monitor screen time

SECTION 18 · Contact & Partnership

Let's build the future of education together

We are looking for schools that believe in building students who create. If you want your students to leave school with a portfolio, a skill set, and the confidence to compete in the real world — Focsera Labs is built for your school.
